

# Certificate Emission Class E1

Reg.-Nr. Z342-4/09

Hereby the Official Institution for Materials Testing MPA Bremen confirms to the Producer

**OOO "Permsky Fanerny Kombinat "**  
**ul. Moskovskaya 1a, Uralsky,**  
**Nytva Bezirk, Region Perm**  
**617005 Russia**

that the independent contractual surveillance concerning the formaldehyde release of the

**Birch Plywood**  
**Type FSF**  
**uncoated and fimfaced**

is being exercised by means of continuous supervision over the factory production control and determination of formaldehyde release of random samples according to the Guidelines 100, 1994, of the German Institute of Construction Technologies. The requirements of the German Chemicals Ban Regulations in force – ChemVerbotsV – Supplement to § 1, art. 3 – are so far fulfilled. The present certificate is valid till the next continuous surveillance inspection of the factory production control.

Bremen, 16 June 2009
